Former choir leader, Miss Margaret Sorenson airmails: "This Christmas would have been only half as pleasant without the greetings I received from center friends. May you all look up to God for divine guidance for I am confident that He is able to take care of all circumstances."

BAPTISM

From among our growing congregation, it is a joy to see young people come forward accepting Christ. Reconsecration to His service is taking place. As we look toward Easter, let us work and pray that more young people may find Christ as Saviour.

Baptism is a symbol of death, burial and resurrection of Christ. It is a symbol of new life through Christ. Last Sunday, Henry M. Toyama and Jean M. Murakami received the ordinance of baptism.

Soldiers, please register in guest-book.
